CONFERENCE PURPOSE

The Virginia Water Environment Association (VWEA) is bringing the latest information to Industry and POTW's on the major issues such as Pretreatment, Pollution Prevention and Regulatory Updates. Distinguished speakers from the EPA, Virginia DEQ, academia, industry, public and private sector will participate at the conference.

CONTINUED EDUCATION CREDITS will be offered for

Wastewater Operators and Professional Engineers

CPE credits available (WW Operator): 7

CEC credits available (PE): 8

It is the responsibility of the individual seeking the CECs to determine if the technical presentations meet the requirements of 18 VAC 10-20-683.
